

Early Help - Support for Children and Families

At Holywell Primary & Nursery School we recognise the challenges that families face in bringing up children. There may be times when you need extra help and support. If this is the case please come and talk to us. There are many ways in which we can help as outlined in this offer of early help.

Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at Holywell Primary School & Nursery means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Families who may be not be eating healthy food
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems.
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart.
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

Please include information on in school or setting support (i.e., attendance, behaviour, counselling, THRIVE, etc...)

School and Local Services

Holywell's Universal Offer	<p>Our PSHE and SRE curriculum offers the first level of support for all children, along with classroom practice that puts the child at the centre; staff are compassionate, kind and caring and seek to create a school environment which is both warm and welcoming for both children and parents. We are currently working on developing the 'Thrive' approach within each classroom.</p> <p>A lunchtime club, led by one of our Thrive practitioners, is open to all children across the school who may find the playground daunting or overwhelming, or who need more focussed attention or calming activities.</p> <p>Our Thrive practitioner and Nurture Room is available for all children throughout the day to meet any unplanned need; for example if a child is upset and needs time and space to talk, or for those children who can sometimes find it difficult to cross the threshold in the morning.</p>
Holywell's Pastoral Support	<p>We have two Thrive practitioners and a home-school liaison officer who are able to offer in-house support to both children and families for a range of different social, emotional and attendance needs.</p> <p>This could be a specific Thrive programme to address identified social or emotional needs, or to supplement the work that is carried out by external professionals.</p>
School Nurse	<p>We have access to a dedicated School Nurse who is able to offer advice and support to children and their families for a variety of medical conditions.</p> <p>They provide support and guidance to schools regarding public health issues, brief interventions and health promotion such as smoking, emotional health and well-being needs. They also influence and champion health promoting activities and programmes both in and out of school and work closely with other professionals and local communities.</p> <p>The School Nurse Service provides a wide range of services to meet the needs of children and their families. These include:</p> <ul style="list-style-type: none"> • Hearing Screening • Home Visits • Enuresis and Bladder Training • Health needs assessments
