Understand the effect of changing seasons on the natural world around them. Describe what they see, hear, and feel whilst outside. Understand the effect of changing seasons on the natural world around them. Explore the natural world around them.</p>	
Year 1	Forest school following on from EYFS	Introduce Animals Including Humans	Trees Seasonal change	Revisit and retrieve Animals Including Humans	Introduce Everyday Materials	Introduce Seasonal change Revisit and Retrieve Animals Including Humans and Plants
Year 2	Introduce Living Things and Habitats	Introduce Animals, Including Humans	Revisit Living Things and Habitats Revisit Animals including Humans	Introduce Everyday Materials	Introduce Plants	Revisit Plants and Everyday Materials
Year 3	Introduce Rocks	Introduce Animals, Including Humans	Introduce Forces and Magnets	Introduce Light	Introduce Plants	Revisit Animals, including Humans
Year 4	Introduce Living Things and Habitats	Introduce States of Matter	Introduce Animals, Including Humans (Teeth, Function and Human Digestion)	Introduce Animals, Including Humans (Food Chains, Producer, Predators and Prey)	Introduce Electricity	Introduce Sound
Year 5	Introduce Properties and Changes of Materials	Introduce Animals Including Humans (Changes)	Introduce Forces	Introduce Earth and Space	Introduce Living Things and Habitats (Life Cycles)	Revisit and Retrieve Living Things and Habitats
Year 6	Introduce Living Things and Habitats (Classification)	Introduce Light	Introduce Circulatory System (heart, blood and vessels, diet, nutrient and water distribution)	Introduce Nutrients and Water transported in Animals, Including Humans	Introduce Electricity Introduce Evolution and Inheritance	Continue Evolution and Inheritance
