

HOLYWELL PRIMARY SCHOOL & NURSERY

Year 2

Summer Term 2

We're looking forward to a busy and exciting Summer Term in Year 2.
Here's what your child will be learning this half term:

Maths

- We will learn about time and volume through practical activities and investigations.
- We will practise telling the time and measuring and comparing capacity.
- We will continue developing confidence with number fluency and problem solving.

Writing

- We will write character descriptions, stories from another culture and poetry.
- We will continue developing sentence structure, punctuation and vocabulary choices.
- We will practise editing and improving our writing independently.

Reading

- We will read and explore texts including Little People, Big Dreams, Fantastically Great Women and Fantastic Mr Fox.
- We will learn how authors make choices to affect the reader.
- We will develop skills in retrieving, inferring and explaining, using evidence from the text to justify our answers.

Across the Curriculum

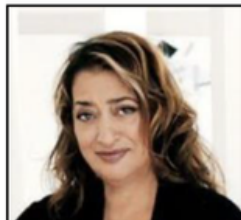

Geography - We will take part in fieldwork and explore our local environment.

Art - We will create 3D artwork and creative response pieces.

Science - We will revisit learning about plants and materials through investigations and practical activities.

Computing - We will create and programme quizzes.

Design & Technology - We will explore structures and how to make them strong and stable.

Dame Zaha Mohammad Hadid
(1950 - 2016)

The Riverside Museum, Glasgow
(2011)

- PSHE & Online Safety - We will learn about asking for help, body awareness, emergency services and staying safe online.
- RE - We will explore why some places are special to believers.
- PE - We will develop skills in sending and receiving indoors and take part in athletics outdoors.

Home Learning

- Read regularly with your child and discuss the stories you share together.
- Practise number fluency and key maths skills at home using Numbots.
- Encourage your child to talk about their learning and share new vocabulary.

Enrichment

- Waseley Ridge visit linked to our Geography learning.
- Sports Day and transition activities.
- Creative art, DT and outdoor learning opportunities.

Optional Activities

- Create a quiz for a family member to complete.
- Go on a local walk and talk about human and physical features you can see.
- Write your own short poem or character description.
